

SHOW YOUR LOVE for us in this simple way.

Cut out as many hearts as you need. Each person can Sign their name on the front and add a word of encouragement, prayer, or verse on the back.

Then mail your **HEARTS** to us by Valentine's Day at **109 Pineview Rd Statesboro, GA 30461.**

We are going to laminate them to display in our home in Namibia.

When we feel alone or just need a hug, we can read each person's name and their message to encourage us.
